Tomorrow Is Yet To Come

Every new school year brings a new group of seniors and every year we all seem to encounter the same questions and problems. What am I going to do after graduation? How will I adjust? It's confusing to accept that finally we will all have to move on and now we are known as "mature adults". The concept of growing up has scared us all for years and now we have to ignore that and go on. One of the hardest parts is leaving behind our friends, memories, and those moments we took time to always remember. We all have those special things and places we will cherish, but not everything is left behind. The future will give us new memories and new experiences and that will take us farther than we ever imagined. It all comes down to what we want to achieve. As seniors we have had many trials and sorrows, but when it came down to it all we joined together to act as one. It didn't matter about our different opinions or the problems we encountered we just took time to come together. From the moment we walked in to the classroom in kindergarten till the moment we walk on the gymnasium floor on graduation night we will have memories to remember and the knowledge that tomorrow is yet to come.

Senior Class '93

End of The Road by Boyz ll Men

We belong together, and you know that I'm right. Why do you play with my heart? Why do you play with my mind? Said we'd be forever, said it'd never die. How could you love me and leave me and never say goodbye. When I can't sleep at night without holding you tight, girl each time I try I just break down and cry. Pain in my head, oh I'd rather be dead, spinning around and around.

Chorus: All though we've gone to the end of the road, still I can't let go. It's so natural. You belong to me, I belong to you. Gone, to the end of the road, still I can't let go. It's so natural. You belong to me. I belong to you.

Girl, I know you really love me, you just don't realize. It's only your first time, maybe I'll forgive you, maybe you'll try. We should be happy together, forever, you and I. If you love me again, like you loved me before, this time I want you to love me much more. This time instead just come to my bed. And baby just don't let me, don't let me go.

Go to chorus.

Girl, I'm here for you. All those times and nights when you just hurt me and just ran out with that other fellow. Baby, I knew about it, I just didn't care. You just don't know how much I love you, do you? I'm here for you, I'm not out to go out there and cheat all night. Just like you did baby, but that's alright. I love you any way, and I'm still gonna be here for you till my dying day baby. Right now I'm just in so much pain, cause you just won't come back to me, will you? Yes baby, my heart is lonely. My heart hurts baby, cause I feel pain too. This time just come back to my bed. And baby just don't let me, don't let me go.

Go to chorus. Repeat again.

Memorable Moment As A Senior

.....I think that the prom will be my most memorable time, why? Because I can see all my friends have a good time once this year.

.....It's amazing that as a senior, you find out who your true friends are. I sure am glad that this is it!! We've made it!!!

.....Mr. Sherlock telling the seniors that senior skip day was cancelled.

.....Will be the senior trip because of all the fun I'm sure we'll have

.....My most memorable moment as a senior was when we defeated Riverview in the basketball playoffs, 71-53, at Trinity High School.

.....Senior skip day because I DIDN'T!!!!

.....My first period trig class when a certain someone's shorts were riding a little low and revealed a lot of something.

.....The 92-93 football season, because we did so well.

.....My friends because friends are forever and because of all the memories I'll have.

.....The infamous senior skip day on the 93rd day of school. The great time I had with the gang I'll always remember.

Senior Night

Senior Night was held on October 30, ending the 1992 football season with the members of the band, football team, and cheerleading squad being recognized for their outstanding accomplishments. These students were honored for their dedication and hard work to their respective organizations and were joined by their parents and friends to share in this special evening. These memories made on a cold October night are ones that the seniors of Carmichaels Area High School will treasure for a lifetime. Good Luck Class of '93!

What Now? — The Future?

On Friday, June 4 at 7:15 pm the Carmichaels Area Seniors celebrated their graduation. 96 seniors participated in the graduation ceremony. Speakers for that evening were: Valedvictorian, Vaughn Mankey, Salutatorian, Geoffery Dudics, and Class President, Chad Lechner, Mr. Sherlock, Mr. Zalar and a special guest speaker, a former graduate of Carmichaels Mr. John Jazwa. The invocation, benediction and an instrumental solo was performed by Lucy Wood.

The awarding of diplomas by school board president, Mr. Henry Bacon, brought the evening to a climax as each senior realized his goal had been reached. For most, this was the threshold for future ambitions which must be fulfilled for them graduation was not the ultimate end, but merely the start of a new beginning.

Upper right is Vaughn Mankey giving his Valedvictorian speech. Middle left is Tresa Hewitt receiving her diploma with the help of Sheldon Chun. Bottom right is Geoff Dudics giving his Salutatorian speech.

The entertainment for the night was provided by our class president, Chad Lechner who added a lighter touch to the ceremony with a magic trick. Lucy Wood performed a solo "Sonata for Alto Sax"-Phil Woods.

NATIONAL HONOR SOCIETY

The 1992-1993 National Honor Society is sponsored by Mrs. Beverly Tekavek. Its members are active in the community as well as our high school. These students have volunteered their time and energy to lend a helping hand in such community activities as the covered bridge festival, the Greene Acadamy Christmas Craft Show, and the American Red Cross Blood Drive. The organization has also directed a program stressing the importance of a drug and alcohol free environment. The program is known as the Red Ribbon Campaign, and has been initiated in the elementary, Junior and Senior High Schools, as well as our community. On April 6, 1993 the new inductees were welcomed into the organization. These new members will carry on the legacy of leadership and guidance into next year, passing on all they have achieved to each generation following.

"The Hunchback of Notre Dame" was held in the high school auditorium by the drama club. Opening night was a great success on May 13, 1993. Congradulations to all players and to those who made it work from behind the scenes. Above left is the hunchback, Vaughn Mankey, being crowned the "King of Fools". Top right is Corrie Austin as Esmirelda, the gypsy girl, being tried for her crimes.

THE HUNCHBACK OF NOTRE DAME

Along with the many hours of practice, there was much more preparation needed to make this play a success. Clockwise from left: Becky, Reem , and Vaughn make themselves "BEAUTIFUL". Dana and Chad take time to pose as their characters. Randyn and Amy work at making themselves "old" and "peasantlike". The peasants of Paris crowd in the streets at the "Festival of Fools".

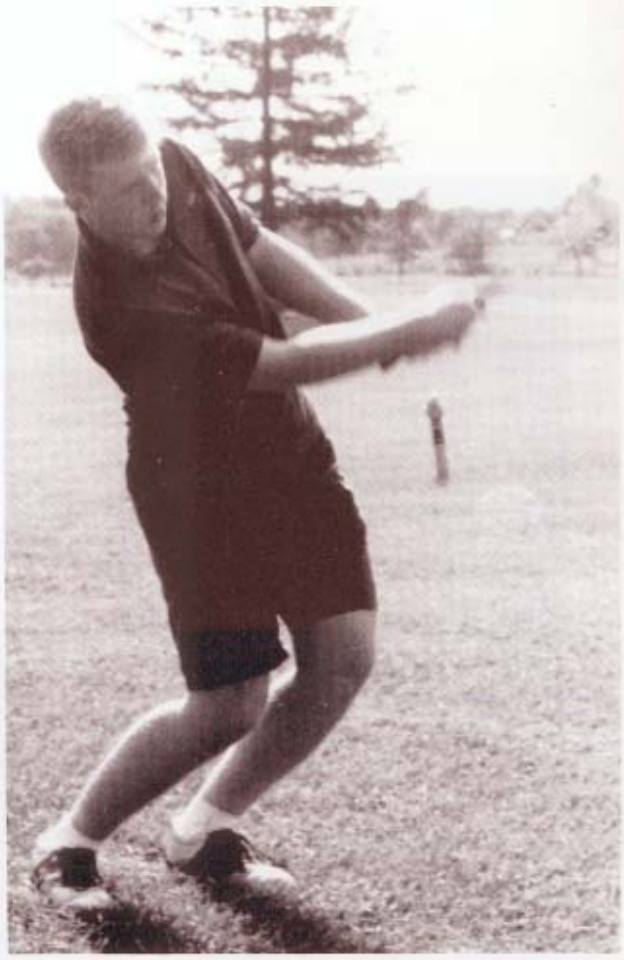
Six Smiles for Our Team

Our Circle of Triumph



"SECOND JUST AIN'T GOOD ENOUGH"

AS THE FINAL SECONDS OF THE CLOCK TICKED AWAY THE TEAM BECAME INCHES AWAY FROM HISTORY. It was that old-too familiar sports scenario that many kids dream making the winning play with all of the team offering their thanks by raising the kid up to the sky as if honoring a God. A few times that oppurtunity for a last second victory came to be. In this case, the victory would have yet another year to become a possibility again.The Carmichaels Mikes Football team accomplished a great deal this football season. For the second year in a row, the Mikes qualified for the W.P.I.A.L. playoffs. But this season they accomplished much more than making it to the playoffs. After a remarkable undefeated conference record they were named the 1992 Tri-County South Conference Champions. Although the Mikes fell short of advancing to the second round of the playoffs they had an incredible season. Overall,the Mikes season ended with an 8-1 record, 6-0 in the conference. This was good enough to gain the title of runner-up in the W.P.I.A.L. standings, and ninth place in the state.Pictured below left Sheldon Chun and Chad Lechner make a path for a "RUSH" run.

Let's Get Personal

COMMUNITY BANK is as much a part of your community as the foundation stones of the oldest buildings.

For years we have helped area businesses grow and prosper by financing local developement. We support local charitable organizations and contribute to civic, educational, and scholastic programs.

We want to reaffirm our commitement to serving you and our community. COMMUNITY BANK means that even in this day of big-time, fast paced, mega-banking, you can expect the type of prompt, convenient service you have always expect from us.
